A Good Kidney Remedy

I wish to tell of the wonderful results I have received from your noted Swamp-Root. I am fifty-eight years of age, well and healthy to-day, but there has been a time in my life that I was all run down and worn out My kidneys were in a very bad condition, and I suffered from lame back. I have tried other remedies, but never got the results that I have received from Swamp-Root, and I honestly believe that I owe my life to Dr. Kilmer's Swamp-Root. I tell others that I could not live without Swamp-Root in the touse, for when I feel tired and worn out and my back not feeling right, I take Swamp-Root and I am feeling fine in a few days. I heartily recommend Swamp-Root the world over.
